What is CPU?

CrossPoint University is an opportunity for you to grow and develop in your relationship with Jesus Christ as we continue in our passion and commitment in building the Kingdom of God. Through CrossPoint University, you may grow in knowledge, practical application, and skill that will aid you in your spiritual growth and in reaching *JUST ONE MORE*.

On Wednesday evenings you may select a Bible study or a discipleship course from the list in this brochure. Prayerfully select a class that will challenge and encourage you in your faith development. It is God's desire that each one of us continues to mature as followers of Christ.

I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.
Ephesians 3:17-19

How do I choose a class?

The 2017 Winter/Spring semester of CrossPoint University includes twelve classes. Some classes focus on theology and will help you know God better and more clearly understand how he interacts with us. These classes provide important insight into how God relates to us and wants us to grow as his children.

Other classes address practical, everyday challenges with answers from God's word. These classes provide excellent opportunities for you to learn to regularly apply God's word in your relationships with your loved ones, in dealing with life's hurts and struggles, in handling God-given resources, in approaching health from a biblical perspective, and more.

Prayerfully choose a class that will be most helpful as you continue to develop as a follower of Christ. If you choose a six-week class, you will have the opportunity to take two classes during the 12-week semester.

If you have a question about a class or about CrossPoint University, please feel free to contact Chris Howell, Minister of Adults, at 205.655.0364 or chowell@crosspointchurch.info.

Winter/Spring Classes

Bible Stories for Adults (12 weeks)

We will study the books of II Samuel, I and II Kings, Ezra, Nehemiah, and Esther this semester. While not a chronological study, we will cover the period of the kingship of David, the kings in Israel and Judah, and the beginning of the Jewish captivity in Babylon. The books of Ezra and Nehemiah describe Israel's return to Jerusalem. Esther takes place during the captivity and describes how Esther saved the Jewish nation from being completely destroyed. This study is critical in the timeline of the history of God's people.

Stop Asking Jesus Into Your Heart (6 weeks)

Salvation is not simply praying a prayer. Salvation is about genuine repentance and faith in Jesus Christ. In this class we will discuss ways to talk with your preschool and grade school children about what it means to make a decision to follow Christ and become a fully devoted follower of him. We will examine levels of biblical learning, ways to explain the gospel on a child's level, and practical everyday ways to incorporate gospel conversations. If you have an infant to fifth-grade child, this is a class that you will not want to miss.
